# **Applovin Limited**

## **DIRECTORS' REPORT**

for the year ended 31 December 2022

The directors present their report and the audited financial statements for the year ended 31 December 2022.

### **Principal Activity and Review of the Business**

The principal activity of 'Applovin Limited' is to provide marketing and support services to its parent company's business of online marketing and advertising platform services.

Net (Loss) Margin for the year is at (6.14%) compared to (2.0)% for the prior period. The company has a healthy acid ratio of 8.68:1.

Resulting from the above, the directors are pleased with the performance of the company during the period. There has been no other significant change in these activities during the year ended 31 December 2022.

### **Principal Risks and Uncertainties**

The board believes the following to be the principal risks and uncertainties facing the company:

#### **Currency risk**

The company's intercompany support services arrangement with its parent is denominated in US Dollar, however the company's operating expenses are primarily in Euro; this results in a moderate level of currency transaction risk. Variances affecting the operational activities in this regard are reflected in the profit and loss account in the years in which they arise. The principal foreign exchange risk is translation-related arising from fluctuations in the Euro value of the company's net investment in US Dollar.

#### **Liquidity risk**

The company's policy is to ensure that sufficient resources are available either from cash balances, cash flows and near cash liquid investments to ensure all obligations can be met when they fall due.

#### **Credit risk**

The company has no significant concentrations of credit risk.

#### **Failure to grow in longer term**

Failure for the parent company to identify new clients, market services and invest in business development could impact the ability to fund the company's support services, but the company does not believe it is a significant risk to the business at this time.

### **Results**

The loss for the year after providing for depreciation and taxation amounted to (\$653,394) (2021: (\$28,670)).

At the end of the year, the company has current assets of \$11,612,642 (2021: \$2,315,128) and current liabilities of \$1,338,540 (2021: \$158,180). The net assets of the company have increased by \$8,117,154, year over year.

## DIRECTORS' REPORT

for the year ended 31 December 2022

### Directors and Secretary

The directors who served throughout the year were as follows:

Adam Foroughi  
Herald Chen (resigned 29 September 2023)  
Ailbhe Dervan (appointed 29 September 2023)

The secretary who served throughout the year was Matsack Trust Limited.

All directors hold shares in the ultimate parent entity Applovin Corporation, an entity registered in the United States of America.

	At beginning of year	At end of year
Applovin Corporation: Ultimate holding company (ordinary shares)		
Adam Foroughi	37,571,074	37,571,074
Herald Chen	4,696,459	4,696,459

In accordance with the Constitution of the company, the directors do not retire by rotation nor offer themselves for re-election.

### Future Developments

The directors believe that the company can continue to operate as a going concern for the foreseeable future by utilising its internally generated cash flows from providing services to the parent and affiliated entities.

### Post Statement of Financial Position Events

On 29 September 2023, the company had the following directorship changes: Herald Chen resigned, and Ailbhe Dervan was appointed.

### Political Contributions

The directors, on enquiry, have satisfied themselves that there were no political donations which require disclosure.

### Auditors

The auditors, Deloitte Ireland LLP, (Chartered Accountants) have indicated their willingness to continue in office in accordance with the provisions of section 383(2) of the Companies Act 2014.

# Applovin Limited

## DIRECTORS' REPORT

for the year ended 31 December 2022

### Responsibilities of the Directors

Monitoring the financial reporting process

The Board are kept well abreast of the financial reporting processes in the company, with management accounts being communicated to all directors quarterly and any queries on such being answered promptly by the Chief Financial Officer at the quarterly board meetings or the risk committee meetings.

Monitoring the effectiveness of the company's internal controls and risk management

Board members are required to approve major capital expenditure and banking arrangements.

Disclosure of information to the auditors

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information, being information needed by the auditor in connection with preparing its report, of which the auditor is unaware. Having made enquiries of fellow directors and the company's auditor, each director has taken all steps that he is obliged to take as a director in order to make himself aware of any relevant audit information and to establish that the auditor is aware of that information.

Monitoring the statutory audit and the auditor's independence

Results and findings of the annual statutory audit, including the auditor's opinion on the financial statements, are discussed with the board as soon as they are finalised post year end.

The board are also required to approve annual budgets.

### Accounting Records

To ensure that adequate accounting records are kept in accordance with sections 281 to 285 of the Companies Act 2014, the directors have employed appropriately qualified accounting personnel and have maintained appropriate computerised accounting systems. The accounting records are located at 1100 Page Mill Road, Palo Alto, California in the United States of America.

## DIRECTORS' RESPONSIBILITIES STATEMENT

for the year ended 31 December 2022

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the profit or loss of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the company financial statements and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy and enable them to ensure that the financial statements and Directors' Report comply with the Companies Act 2014 and enable the financial statements to be readily and properly audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Signed on behalf of the board

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF APPROVIN LIMITED

### Report on the audit of the financial statements

#### Opinion on the financial statements of Approvin Limited ("the company")

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 December 2022 and of the loss for the financial year then ended; and
- have been properly prepared in accordance with the relevant financial reporting framework and, in particular, with the requirements of the Companies Act 2014.

The financial statements we have audited comprise:

- the Profit and Loss Account;
- the Statement of Financial Position;
- the Statement of Changes in Equity; and
- the related notes 1 to 21, including a summary of significant accounting policies as set out in note 2.

The relevant financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' issued by the Financial Reporting Council ("the relevant financial reporting framework").

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are described below in the "*Auditor's responsibilities for the audit of the financial statements*" section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Ireland, including the Ethical Standard issued by the Irish Auditing and Accounting Supervisory Authority, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

#### Other information

The other information comprises the information included in the Annual Report and Financial Statements, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the Annual Report and Financial Statements. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

*Continued on next page/*

*/Continued from previous page*

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF APPROVIN LIMITED

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### **Responsibilities of directors**

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view and otherwise comply with the Companies Act 2014, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on IAASA's website at: <https://iaasa.ie/publications/description-of-the-auditors-responsibilities-for-the-audit-of-the-financial-statements>. This description forms part of our auditor's report.

### **Report on other legal and regulatory requirements**

#### **Opinion on other matters prescribed by the Companies Act 2014**

Based solely on the work undertaken in the course of the audit, we report that:

- We have obtained all the information and explanations which we consider necessary for the purposes of our audit.
- In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited.
- The financial statements are in agreement with the accounting records.
- In our opinion the information given in the directors' report is consistent with the financial statements and the directors' report has been prepared in accordance with the Companies Act 2014.

### **Matters on which we are required to report by exception**

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the provisions in the Companies Act 2014 which require us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions specified by law are not made.

*Continued on next page/*

*/Continued from previous page*

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF APPLOVIN LIMITED

### Use of our report

This report is made solely to the company's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

# Applovin Limited

## NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31 December 2022

### 1. GENERAL INFORMATION

Applovin Limited (company registered number: 554292) is a company limited by shares incorporated in the Republic of Ireland. The registered office of the company is 70 Sir John Rogerson's Quay, Dublin 2, Ireland. The nature of the company's operations and its principal activities are set out in the Directors' Report. The financial statements have been presented in US Dollar (\$), except where noted. The US Dollar is also the functional currency of the company.

### 2. ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

#### Statement of compliance

The financial statements of the company for the year ended 31 December 2022 have been prepared on the going concern basis and in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (FRS 102).

#### Basis of preparation

The company is a wholly owned subsidiary of Applovin Cayman Limited which is the immediate parent undertaking. Applovin Limited is a company incorporated in the Republic of Ireland. The company's ultimate parent company is Applovin Corporation. Applovin Corporation is incorporated in the United States of America.

The financial statements have been prepared on the going concern basis and in accordance with the historical cost convention except for certain properties and financial instruments that are measured at revalued amounts or fair values, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for assets. The financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council.

The Company is exempt from the preparation of consolidated financial statements by virtue of Section 300 of the Companies Act 2014, because it is included in the group accounts of Applovin Corporation. The group accounts of Applovin Corporation are available at 1100 Page Mill Road, Palo Alto, California in the United States of America. As the company also qualifies to take a consolidation exemption under FRS 102 and has therefore taken advantage of the disclosure exemptions available to it in relation to financial instruments, the company presentation of the statement of cash flows, share based payments, and remuneration of key management personnel.

#### Turnover

Turnover represents the value of services provided during the period by the company, exclusive of trade discounts.

**Financial Instruments**

A financial asset or a financial liability is recognised only when the company becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Debt instruments are subsequently measured at amortised cost.

Other financial instruments are subsequently measured at fair value, with any changes recognised in profit or loss, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised in profit or loss immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously recognised.

**Trade and other debtors**

Trade and other debtors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest method less impairment losses for bad and doubtful debts except where the effect of discounting would be immaterial. In such cases the receivables are stated at cost less impairment losses for bad and doubtful debts.

**Cash and cash equivalents**

Cash and cash equivalents comprise cash at bank and in hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the Statement of Financial Position bank overdrafts are shown within Creditors.

**Trade and other creditors**

Trade and other creditors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest rate method, unless the effect of discounting would be immaterial, in which case they are stated at cost.

**Taxation and deferred taxation**

Current tax represents the amount expected to be paid or recovered in respect of taxable profits for the year and is calculated using the tax rates and laws that have been enacted or substantially enacted at the Statement of Financial Position date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more tax in the future, or a right to pay less tax in the future. Timing differences are temporary differences between the company's taxable profits and its results as stated in the financial statements.

Deferred tax is measured on an undiscounted basis at the tax rates that are anticipated to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the Statement of Financial Position date.

**Applovin Limited**  
**NOTES TO THE FINANCIAL STATEMENTS**  
for the year ended 31 December 2022

continued

**Foreign currencies**

The company's functional and presentational currency is US Dollars (US\$).

Foreign currency transactions are translated into the functional currency using the spot exchange rates at the dates of the transactions.

At each period end, foreign currency monetary items are translated using the closing rate. Non-monetary items measured at historical cost are translated using the exchange rate at the date of the transaction and non-monetary items measured at fair value are measured using the exchange rate when fair value was determined.

Foreign exchange gains and losses resulting from the settlement of transactions at from the translation at period-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the Income Statement.

**Share capital of the company**

**Ordinary share capital and other reserve**

The ordinary share capital of the company is presented as equity. The other reserve represents a capital contribution treated as quasi-equity.

**Equity-settled share-based schemes**

The company issues equity-settled shares to certain employees with the company. Equity settled share-based payment transactions are measured at fair value at the date of grant. The fair value determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the vesting period; forfeitures are recognised as they occur.

The company also provides employees with the ability to purchase the company's ordinary shares at 85% of the current market value. The company records an expense based on its estimate of the 15% discount related to the shares expected to vest on a straight-line basis over the vesting period.

**3. SIGNIFICANT ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY**

The preparation of these financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. Judgements and estimates are continually evaluated and are based on historical experiences and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

No significant estimates or judgements have been made during the year (2021: Nil).

**4. TURNOVER**

The turnover for the year has been derived from:

	<b>2022</b>	2021
	\$	\$
Intercompany Service Revenue	<b>10,648,301</b>	1,443,436
	<b>10,648,301</b>	1,443,436

**Intercompany Service Revenue**

Intercompany service revenue was \$10,648,301 during the year (2021: \$1,443,436).
